To Whom It May Concern:

The patented Computer Voice Stress Analyzer<sup>®</sup> II detects, measures, and graphically displays specific stress-related components of the human voice which are associated with the psychological stress of the speaker. The CVSA<sup>®</sup> II specifications will meet or exceed those listed below:

**Software Features:**

CVSA<sup>®</sup> II software, with the patented FACT<sup>®</sup> Scoring System, uses advanced mathematical algorithms and a built-in “learning” feature to recognize, evaluate, categorize and quantify the output graphs from the CVSA<sup>®</sup> II. The FACT<sup>™</sup> Scoring System also evaluates CVSA<sup>®</sup> II charts as “Deception Indicated” or “No Deception Indicated.” The latest version of the CVSA<sup>®</sup> II also includes an automatic voice modulation system and an automated report writing feature. The CVSA<sup>®</sup> II software comes with an NITV-supported unlimited lifetime warranty.

**Instrument Features:**

1. Dell Latitude E6410, Intel Dual Core vPro 15-520M, 2.40 GHz, 1066 MHz, 3ML2 Cache, Dual Core
2. 1.0 GB DDR3-1066 SDRAM, 1 DIMM
3. 160 GB Hard Drive 9.5 MM, 5400rpm
4. Internal Backlit Keyboard
5. Dell Wireless 1520 (802.11 a/b/g/n) ½ MiniCard for Latitude E
6. Wide-Aspect Display, 14.1 inch WXGA (1280x800) LED Antiglare Screen.
7. Cyberlink Power DVD 8.3, with Media, Dell Latitude/Mobile Precision
8. Integrated webcam with single digital microphone, Dell Latitude E6410
9. Dell Webcam Central Software Dell Latitude/Mobile Precision
10. Roxio Creator Dell Edition 10.3, Media Dell RLOB
11. 90W 3-Pin, AC Adapter, with 6 Cell/54 Hour Battery
12. 8X DVD+/-RW
13. Single digital microphone Latitude E6410
14. Windows 7 Professional operating with Windows XP Professional
15. Adobe Acrobat 9.0 Standard Package, English, CD W/Docs
16. Microsoft Office 2007 Basic Edition
